Identifying and Using the Different Sources of Study

Learning is a process requires active involvement of the learners. To fulfilling that purpose college always encourage the students how to identify and utilize the learning resources by themselves. College Library has the storage of text books, reference books, journals, edited books, and other prominent books of English and Assamese literature. The Library has E-book facilities. M.Ed. Dissertation preserve in the library so that students can take help for preparation of dissertation, research paper and research article. Besides these college facilities always guide them for utilizing on-screen for their academic benefit. For that purpose, they are trained to utilize YouTube, Google, and Videos for learning purpose.
