2.6. OTHER OBSERVATIONS

2.6.1. PTA OF THE SCHOOL

Government education schemes such as Rashtriya Madhyamik Shiksha Abhiyan (RMSA) and Sarva Shiksha Abhiyan (SSA) have advocated community mobilization and involvement. Under RMSA every school should have a PTA. School Development Management Committees (SDMCs) should co-exist with PTAs and leverage their functions.

KIRONBALA GOSWAMI BALIKA VIDYAPITH has its PARENTS TEACHERS ASSOCIATION. At the interval of two or three month a PTA meeting is organised in the school to build strong working relationships among parents, teachers and other staffs, in support of students. The duties of PTA members include recruiting and coordinating volunteers, providing special recognition in awards ceremonies or through other activities, organizing parent education events, planning teacher appreciation activities and much more. In the school, the PTA works with the principal and the school site council to decide jointly which programs will most benefit the school. Teachers talk to the parent community about a new reading program or student discipline issues. Experts from the community talk about building better relationships with adolescents, or share important information about school reform initiatives.

2.6.2. STAFF MEETINGS

In KIRONBALA GOSWAMI BALIKA VIDYAPITH staff meetings are organised once in a month, where the members of a school — the teachers, administrative assistance, and headmaster assemble to discuss the educational progress, subjects, syllabus, etc., that will help the school smooth functioning.
